CHAPTER ONE

The First Thought

Before the stars were born, there was only a dream.

Once upon a time, before there was a world, before the stars or the earth, there was only a quiet thought. It was born from nothing at all. Because there was nothing else, this little thought was everything.

For millions of years, it floated alone in the dark, wondering: 'What am I? Why am I here?' It felt all alone, dreaming of someone to share the quiet with.

After a very long time, the thought began to dream of a body - two small hands, a beating heart, and the warm breath of a little child. And just by thinking it... the child became real.

As the little boy opened his eyes, his heart filled with Hope. And right then, from deep inside his chest, glowing blue birds flew into the dark, bringing the very first light into the world.

The Living Realm

From thought came the world, but only love could bring it to life.

With the blue light of hope dancing around him, the child began to shape a brand new realm. By thought alone, he breathed life into the air, carved rivers of clear water, and raised the soft green ground.

He filled the world with whispering trees and swaying grass. Nature was alive, yet a deep stillness remained. The world was growing, but there was no one with a beating heart to wander beside him.

And so, from the warmth of his gentle spirit, he wished for living companions - creating the curious forest cat, the tiny woodland mice, and every creature of the grove. When he knelt to touch his new friend, his world was finally full of joy.

As twilight arrived, a silver harvest moon bathed the realm in gentle light. Holding his beloved companion close in timeless peace, the birds of hope danced above them in eternal harmony.

Bas Yuhi: Season 1 - Cover & Prologue. The journey of silence, wandering thoughts, and personal connection begins.

BAS YUHI – A SKETCH SERIES
BY PANKAJ YADAO DEORE

SOMETIMES, WE START CREATING WITHOUT A REASON.
NO PLAN. NO MESSAGE. JUST A QUIET PULL FROM INSIDE.
THAT'S HOW "BAS YUHI" BEGAN.

THIS IS THE STORY OF A BOY –
THE ONLY HUMAN IN A WORLD WHERE NO OTHER HUMANS EXIST.
HE DOESN'T KNOW HOW HE GOT THERE, OR WHY HE'S ALONE.
ALL HE KNOWS IS THAT A GROUP OF BIRDS ALWAYS FLIES AROUND HIM.
THEY NEVER LEAVE. AND HE NEVER QUESTIONS THEM.

AS HE WALKS THROUGH THIS STRANGE AND SILENT JUNGLE,
HE MEETS BEINGS UNLIKE ANYTHING WE'VE SEEN.
THEY DON'T SPEAK LIKE US, BUT SOMEHOW... THEY UNDERSTAND.
THEY SHARE A MOMENT, A MEMORY, A FEELING.
AND HE LISTENS –
BECAUSE SOMETIMES, LISTENING IS ALL YOU CAN DO.

THIS SERIES ISN'T ABOUT WHERE HE'S GOING.
IT'S NOT ABOUT WHERE HE'S BEEN.
IT'S ABOUT BEING PRESENT, EVEN WHEN YOU'RE LOST.
IT'S ABOUT CONTINUING, BAS YUHI...
